- Factory trained with Concrete Repair state-of-the-art Waterproofing Injection systems,
- Leading Concrete Waterproof coatings installations,
- Removal and Disposal of water damaged concrete; including troublesome efflorescence ~ we take the *HARD* jobs!

PROJECT SPOTLIGHT CENTURY PLAZA TOWERS; CBRE - CENTURY CITY, CA

Durability Consultants CR&R just finished Century City's most recognizable, beautiful twin 44-story towers. Underneath CBRE's icon is one of the largest subterranean parking structures in the world; with just over 5,000 parking spots. We were tapped to repair the most bottom two parking level corridors -
